How can you support the Regatta?

To be held on Friday 4th October 2019 at Drummoyne Sailing Club from 12pm onwards

The Waterline Challenge inaugural Cock-A-Hoop Regatta will be hosted by Drummoyne Sailing Club on Friday 4th October 2019. It is a corporate event and will raise many thousands of dollars for charitable causes. The major beneficiary of the 2019 Cock-A-Hoop Regatta is the Children's Medical Research Institute (CMRI) at Westmead Hospital, along with ConnectEd Foundation which raises funds for research and patient care and is dedicated to supporting over 600 rare connective disorders.

CMRI has a long history of medical discoveries and public fundraising, and the establishment of the nationally recognised "Jeans for Genes" brand. CMRI pioneered microsurgery, immunisations against lethal childhood illnesses and care for premature babies, all of which has improved the lives of countless Australian children over the last 58 years. Today, CMRI is the site of world-leading research in areas such as cancer, neurobiology, embryology and gene therapy.

We aim to have more than 30 boats take part. As an Owner/Skipper, we encourage you to donate the use of your yacht for the day and host one of our Corporate Sponsors. We are looking for boats that can accommodate 2, 3, 4, 5, 6, 7, 8 additional crew members along with the owner/skipper plus one of your crew members. By donating your yacht, we will raise the money we seek to raise for both the Children's Medical Research Institute and ConnectEd Foundation.

A Perpetual Trophy, "The Jolly Crock" will be competed for by the Clubs taking part. The top three scores of each Club's yachts will be combined, with the Club that has the best score taking out the Perpetual Trophy. The Trophy will be kept by the Club until the following year.

All participants are invited to attend at no charge the Presentations late afternoon at Drummoyne Sailing Club, including BBQ and drinks.

Why Cock-A-Hoop? General meaning is "in a state of exuberant elation" believed to be derived from the removal of the Cock and laid on a Hoop to allow the flow of ale to run without intermission!
